

Kenya Representative — TIS Optical Disk Handover Instructions

For: Local representative in Kenya **From:** UjenziXform KRA Invoicing Services **Product:** UjenziXform Trader Invoicing System (TIS) v1.0.0 **Reference:** UJX-TIS-KRA-ARCH-2026-001 **Document version:** 1.0 **Date:** 3 June 2026

Purpose

You are helping submit a **read-only CD or DVD** to the **Kenya Revenue Authority (KRA)** as part of UjenziXform’s application to become a third-party **Trader Invoicing System (TIS)** integrator for eTIMS.

You do not need to be technical. Your main tasks are:

- 1. Burn a read-only disc from files we send you
- 2. Print and sign the cover letter
- 3. Deliver the disc and letter to KRA
- 4. Send proof of submission back to us

What we will send you

We will share a folder (usually as a **zip file** via email, WhatsApp, or cloud link) named:

TIS-OPTICAL-DISK

Inside it you should find:

Item	What it is
README.txt	Short index of disc contents
SOFTWARE_MANIFEST.txt	List of software files
01-SOFTWARE/	TIS integration source code
02-PDF-DOCUMENTS/	Eight certification PDF documents
03-SOURCE-DOCUMENTS/	Optional extra reference files

You do not need to open or edit the software files.

Before you start — checklist

Confirm you have:

#	Item
1	The full <code>TIS-OPTICAL-DISK</code> folder (downloaded and unzipped)
2	Access to a CD/DVD burn service (shop or office with a burner)
3	Blank CD-R or DVD-R discs (buy 2 — one for KRA, one backup)
4	A printer (for the cover letter)
5	Authority to sign the cover letter or an authorised signatory available
6	This instruction PDF for reference

Step 1 — Download and unzip

1. Download the zip file we send you.
2. Right-click → **Extract All** (or use WinRAR / 7-Zip).
3. Open the extracted `TIS-OPTICAL-DISK` folder.
4. Confirm you see `01-SOFTWARE` , `02-PDF-DOCUMENTS` , and `README.txt` .

Quick check: Open `02-PDF-DOCUMENTS` — there should be **8 PDF files** (numbered 01 to 08).

Step 2 — Burn a read-only CD or DVD

Option A — CD/DVD shop (recommended if you have no burner)

1. Copy the entire `TIS-OPTICAL-DISK` folder onto a **USB stick**.
2. Go to any **computer / IT / printing shop** in Nairobi (or your town) that burns discs.
3. Give them the USB stick and this instruction slip:

Please burn a DATA CD or DVD.

Copy everything INSIDE the `TIS-OPTICAL-DISK` folder to the disc root:

- `README.txt`
- `SOFTWARE_MANIFEST.txt`
- `01-SOFTWARE` (folder)
- `02-PDF-DOCUMENTS` (folder)
- `03-SOURCE-DOCUMENTS` (folder, if present)

Requirements:

- Finalized / read-only (not rewritable)
- No multi-session
- Make 2 copies

Label each disc:

UjenziXform TIS v1.0.0

UJX-TIS-KRA-ARCH-2026-001

KRA eTIMS TIS Certification – Read Only

Date: [today's date]

1. Pay for **2 copies** — one for KRA, one for our records.
2. Before leaving the shop, open the disc on their PC and confirm files open (especially the PDFs).

Option B — Burn yourself (Windows)

1. Insert blank **CD-R** or **DVD-R**.
2. Open the **TIS-OPTICAL-DISK** folder.
3. Select **all items inside** (not the parent folder name alone).
4. Right-click → **Send to** → **DVD RW Drive**.
5. Choose **With a CD/DVD player** if Windows asks.
6. Click **Burn to disc**.
7. Eject and re-insert — confirm you **cannot delete** files on the disc (read-only).
8. Repeat for a **second backup copy**.

Step 3 — Print and sign the cover letter

1. Open **02-PDF-DOCUMENTS\01_KRA_TIS_COVER_LETTER.pdf**.
2. **Read it first** — all details should already be filled in by our team in Australia.
3. If any field still shows brackets like **[Complete before submission]**, **contact us before printing**.
4. Print on **company letterhead** if available.
5. The **authorised signatory** signs and dates at the bottom.

Keep one printed copy for our records if possible.

Step 4 — Deliver to KRA

What to take to KRA

Item	Notes
Read-only CD or DVD	One copy (keep the second copy safe)
Signed cover letter	Printed from PDF 01
Company documents	Only if KRA has already asked for these separately (CR12, PIN certificate, etc.)
This instruction PDF	Optional — for your reference only; do not submit unless KRA asks

Where to go

Default address (confirm before visiting):

Kenya Revenue Authority Times Tower, Haile Selassie Avenue P.O. Box 48240 – 00100 Nairobi, Kenya

Attention: eTIMS Third-Party Integrator / OSCU Certification Unit

Important: Call or check the **eTIMS portal** (etims.kra.go.ke) first to confirm:

- The correct office or desk for **TIS integrator disc submission**
- Whether they accept **walk-in, courier**, or **portal upload** instead

If KRA gives a different address or process, **follow their current instruction**.

At submission

1. Politely state you are submitting the **read-only optical disk** and **cover letter** for **UjenziXform Trader Invoicing System (TIS)** integrator application.
2. Give reference: **UJX-TIS-KRA-ARCH-2026-001**.
3. Ask for a **receipt, stamp, or reference number** if available.
4. Note the **date, time**, and **name of the officer** who receives it.

Courier option

If you cannot visit in person, use a **reputable courier** (G4S, Fargo, etc.) to Times Tower with:

- Disc in a protective sleeve
- Signed cover letter in an envelope
- Clear label: **KRA eTIMS TIS Integrator Submission — UjenziXform — UJX-TIS-KRA-ARCH-2026-001**

Keep the courier tracking number.

Step 5 — Send proof back to us (Australia)

After submission, please send us **within 24 hours**:

Proof	How to send
Photo of disc label	WhatsApp / email
Photo of signed cover letter	WhatsApp / email
Date and time of submission	Text message
KRA receipt / reference number (if any)	Photo or copy
Officer name (if in person)	Text
Courier tracking number (if courier)	Text
Confirmation backup disc is stored safely	Text

Send to the contact person in Australia who shared this document with you.

Disc label (write or print)

Apply to each disc and sleeve:

```
UjenziXform Trader Invoicing System (TIS) v1.0.0
UjenziXform KRA Invoicing Services
Reference: UJX-TIS-KRA-ARCH-2026-001
Submission date: _____
KRA eTIMS TIS Certification – Read Only
```

What NOT to do

Do not	Reason
Edit or delete files before burning	KRA expects exact submission pack
Use a rewritable disc (CD-RW) without finalizing	Must be read-only
Submit only a USB stick	Unless KRA explicitly accepts it
Sign if you are not the authorised signatory	Cover letter must be properly authorised
Skip the backup disc	We need a second copy in case the first is lost

If something goes wrong

Problem	What to do
Zip file incomplete	Contact Australia team — do not burn
Fewer than 8 PDFs in folder	Contact Australia team — do not burn
Cover letter still has blank [brackets]	Contact Australia team for updated PDF
KRA refuses USB / asks for CD only	Burn CD-R at any shop (~KES 200–500)
KRA gives a different submission address	Follow KRA's instruction; tell us immediately
Disc not read-only after burn	Reburn with finalize / mastered option

Summary (one page)

1. Unzip TIS-OPTICAL-DISK folder
2. Verify 8 PDFs in 02-PDF-DOCUMENTS
3. Burn read-only CD/DVD (2 copies) – shop is fine
4. Print + sign 01_KRA_TIS_COVER_LETTER.pdf
5. Deliver disc + letter to KRA (confirm address first)
6. Send us photos + receipt/reference same day

Contact

Primary contact (Australia): _[Name]_ **Email:** _[Email]_ **WhatsApp / phone:** _[Phone]_

Applicant name: UjenziXform KRA Invoicing Services **Platform:** UjenziXform **Reference:** UJX-TIS-KRA-ARCH-2026-001
